

SMARTWATCH IS-SW1.1

DO STREF EX 1/21

The world's first explosion-protected industrial smartwatch for ATEX/IECEX zones 1/21 complements the i.safe MOBILE overall portfolio and can be used in a highly flexible way for employee safety and organisation in the company. Coupled via Bluetooth with the i.safe MOBILE devices, it functions as a supplementary hand-free display on the wrist for displaying important messages, hazard messages and measured values. The IS-SW1.1 enables vital signs to be monitored, an emergency call to be made with GPS location.

Advantages:

- GPS positioning
- Collecting vital data
- NFC time recording and access control
- SOS key for emergencies
