

# EX SIGMA 3C FLASHLIGHT

## FOR AREAS AT RISK OF EXPLOSION (EX)

The Sigma 3C is equipped with a high-capacity battery that provides up to 80 hours of runtime. The flashlight features a very handy, detachable clip that allows you to easily attach it to a jumpsuit, jacket, or vest, ensuring easy access in an emergency. The durable and impact-resistant Sigma 3C flashlight with 2 lighting modes also features a large rubber on/off switch on the back, making it easy to operate while wearing gloves.

### Certificates:
