

SMARTPHONE RUGGEAR RG530

INDUSTRY ZONE

Thanks to its ISM interface, this powerful industrial smartphone offers a wide range of applications. Additional modules such as RSM, PTT headsets, and the professional RG-TH barcode scanner make the RG530 a versatile, high-performance multifunctional device. The smartphone enables zero-touch configuration and is compatible with MDM systems.

Advantages:

- Wide range of accessories (optional)
- eMBMS support
- Push-to-Talk function (mission critical)
- Replaceable battery
- 105 dB speaker
