

SMARTPHONE RUGGEAR RG725

INDUSTRY ZONE

The RG725 is not only a phone that can withstand extreme conditions, but also a device that exceeds military standards. It is specially optimized for Push-to-talk, enabling instant communication. Its excellent sound quality ensures that communication is clear and crisp even in difficult environmental conditions. Equipped with an extremely powerful flashlight, it is an indispensable tool in places with limited lighting. A high-capacity battery ensures that the RG725 stays powered for a long time, eliminating the need for frequent recharging.

Advantages:

- Designed for PTT button
- Replaceable 5000 mAh battery
- Powerful, loud front speaker (105 dB)
- SOS function
- Bright LED flashlight (90 lux)
- 13-pin headphone jack with screw hole
