SMARTPHONE RUGGEAR RG880
INDUSTRY ZONE

The RG880 stands out with its ultra-rugged and slim housing, as well as its unique design, making it ideal for the needs of a modern enterprise. It has a large PTT (Push-to-Talk) button, an SOS button, and two additional programmable side buttons, making it an excellent communication tool for critical situations, among others. (MCPTT). Thanks to these features, the RG880 not only offers a robust design, but also an intuitive and customizable tool that works perfectly in all conditions.

Advantages:

- 5.5" HD+ display
- 103 dB speaker (special angled design)
- IP68
- GCF and eMBMS support
- Qualcomm® octa-core processor
- Fingerprint identification
- 13-pin headset jack with screw
