

SMARWATCH RUGGEAR RG-SW

INDUSTRY ZONE

The RG-SW is a smart industrial watch. It perfectly complements all RugGear devices. Easy to set up and use, it can monitor employee safety and location when needed.

Paired via Bluetooth® with RugGear products, from smartphones to tablets, it acts as an additional display for showing notifications and monitoring health parameters. In an emergency, it can also send a call for help with GPS location. Thanks to NFC technology, the Smartwatch can be used for access control and time recording.

Advantages:

- Collecting important data
- 1.6-inch AMOLED display
- IP68 and drop resistance
- GPS
- NFC/BT/Wi-Fi support
- SOS key
